

## ETHEAWIN CARROLL SPENCER AND FARRELL GORDON SPENCER

I, Etheawin Carroll Spencer, was born July 25, 1918 in Heber City Utah, the oldest daughter of George William Carroll and Sarah Margaret Casper Carroll. I have three brothers and two sisters. They are Casper Carroll of Kaysville, Utah, Elizabeth Reese, James Carroll, Jean Hardman and John Carroll all of Heber City.

In my childhood we lived on what is now an addition and playground of the "Old North School." We attended school at North from First to Sixth Grades. When we reached the Seventh Grade we went to Junior High School and later we attended Wasatch High School. I graduated in May, 1936.

In 1936 the School Board of Education purchased our family home in order that the North School would be able to have more room to expand. Our home was moved to a lot at 153 South, 400 East. This move made us members of the Heber Third Ward. At first I felt very sad to be leaving my childhood surroundings, friends, neighbors and our Heber First Ward membership. At the time the move seemed like a big and new adjustment to make, but after I

began to attend the Third Ward, my family and I were welcomed very kindly. Walter Montgomery was Bishop at the time.

On November 12, 1938 Farrell Gordon Spencer and I were married in Salt Lake City, Utah. Since we had no transportation, we rode to Salt Lake with Storm McDonald. He was kind and thoughtful enough to let us drive one of his cars home. Spence didn't know too much about driving or Salt Lake, but we made it home.

We have nine grandchildren and seven great-grandchildren. Our daughter, Carolyn, is the wife of Lawrence Finnegan and they live in Bellevue, Washington. Gaye, our youngest daughter, married Ralph Kathrein and they lived in Grand Junction, Colorado. On January 3, 1970 Gaye passed away at the age of twenty-six.

We have nine grandchildren and seven great grandchildren.

I have had many choice experiences and choice friends and associations with members of the Heber Third Ward. I have served in Primary, Sunday School, Junior Sunday School as Coordinator, as a Relief Society Visiting Teacher and I have been a member of the American Legion Auxiliary.

Farrell Gordon Spencer was born July 9, 1914 in Missouri, the son of Gordon Brown Spencer and Iva Jennings Spencer. He was the oldest of four children, two brothers and one sister. His youngest brother, Oran, was killed during World War II in Africa.

"Spence" as he is known by many people, joined the Civilian Conservation Corps and was sent out west. He served in military service during World War II and was in the "Sea Bees" in the United States Navy and saw action in the South Pacific.

In 1947 Spence built and opened his business as a body and fender shop located at 46 East and 200 South. Throughout the years he has built and added many improvements to the shop. It is now known as "Spencer Auto Sales." He also has the dealership for Chrysler automobiles. Son Gordon Spencer is an active partner in the business.
